

UPDATE MEASURES IN CHILE DUE TO COVID-19 - 18/03/2020

Dear Business Partners,

Given the current situation Chile is facing, due to the COVID-19 outbreak, both the Immigration Department as well as International Police have suspended their services to the public until next April 7. On the other hand, the Civil Registrar's Office will only assist foreigners having requested a previous appointment.

Carey Visas will continue to provide migratory services not affected by the suspension of the services previously indicated and provided they may be requested on-line.

We will keep you informed of any new updates in this regards.

Thank you for your understanding.
