CAREY APPOINTS TWO NEW COUNSELS

Lawyers Valentina Kuscevic and Tomás Varela were elected counsels at Carey, the largest law firm in Chile. After these promotions, the firm, with more than 270 professionals in its legal area, 44 partners, 2 senior counsels, 5 counsels and 3 directors, strengthens its practices of labor and corporate immigration, and real estate law.

It should be recalled that at the beginning of 2023 and after 30 years of experience in corporate immigration, Carey Visas added to its services the processing of nonimmigrant visas available under the Free Trade Agreement between Chile and the United States for Chileans who wish to reside and/or work temporarily in the United States.

On the other hand, this year, Carey was part of the organizing committee of the Real Estate Law conference of the International Bar Association (IBA) in Santiago, an event that brought together almost 100 lawyers from different parts of the world, specialized in this matter.
