

CAREY IS RECOGNIZED AS LAW FIRM OF THE YEAR IN CHILE FOR THE SEVENTH CONSECUTIVE YEAR

- The awards ceremony took place in Mexico City on March 4.

March 5, Santiago, Chile.

Carey was recognized as **Chilean Law Firm of the Year** in the 2026 edition of the **Chambers Latin America Awards**, a ceremony organized by Chambers and Partners, one of the world's most influential legal publications. This is the seventh consecutive time the Chilean firm has received this honor.

This recognition is granted to only one firm per jurisdiction and reflects the team's sustained leadership, technical strength, and consistent service quality in advising on highly complex matters of strategic relevance, both locally and internationally.

The Chambers evaluation process is based on independent research that includes in-depth interviews with clients and key market players, as well as the analysis of representative transactions and cases, technical excellence, execution capability, and service standards.

Regarding this achievement, **Jaime Carey, Senior Partner of Carey**, stated:

"This recognition reaffirms a conviction that has guided our work for decades: the role of a law firm goes beyond solving legal matters; it is about strategically supporting its clients, with a deep understanding of their industries, their risks, and their business objectives. Our commitment is to contribute vision, judgement, and execution capability in increasingly complex and challenging scenarios."
