

CODELCO MODIFICA PRÉSTAMO DE US\$300 MILLONES

Cleary Gottlieb Steen & Hamilton LLP in New York and Prieto have helped Chilean state-owned copper mining company Codelco amend an existing loan worth US\$300 million.

Export Development Canada (EDC) hired Carey in Chile for the transaction, which closed on 25 October.

Pillsbury Winthrop Shaw Pittman's New York office is also thought to have advised EDC, but this could not be confirmed prior to publication.

The amendment means Codelco will not complete its repayment until October 2028. The previous maturity date was June 2019.
