IFC OTORGA CRÉDITO POR US$200 MILLONES A BANCO ITAÚ

Vincent Manancourt

The International Finance Corporation has hired New York firm Becker, Glynn, Melamed & Muffly LLP and Chile's Carey to grant a loan worth US$200 million to Banco Itaú's Chilean branch.

Banco Itaú, which relied on in-house counsel, will use the loan to bankroll small-scale development projects in the country. The transaction closed on 21 December.
