

## INCOFIN EMITE BONOS POR US\$40 MILLONES

Lulu Rumsey

Chile's Carey has acted as deal counsel for a US\$40 million bond issuance by Chilean factoring company Incofin.

The underwriter was Banco Santander. The offering closed on 28 March.

Of the funds raised, 80% will be allocated to refinance short and long-term liabilities of the issuer and its subsidiary, Incofin Leasing. The remainder will fund Incofin's business growth programme.
