Later, on March 16, through Exempt Resolution No. 101, and conforming to the spirit of the promotion of knowledge established in Law 19.880, which establishes the Basis of Administrative Procedures, the National Institute of Industrial Property, reduced the transmittal fee (PCT) by the reception of the international application, by the transmission of copies to the International Office and to the administrative department in charge of the international search and for the compliance with all the other tasks to be undertaken in relation to the request as Receiving Office. Said rate had been set originally on May 28, 2009, for the sum of USD 350 and was reduced through this Resolution, to USD 130. The new regulation indicates that this rate should be calculated and consecutively paid in Chilean Pesos, according to the exchange rate observed the day before the date of payment, considering to the information published in the daily news of the Central Bank of Chile.
