PROTOCOL DURING COVID-19 OUTBREAK IN CHILE

Dear Business Partners,

In order to take all the necessary safety precautions on behalf of our team and clients, in Carey Visas we have implemented the measures recommended by the Chilean Ministry of Health and the World Health Organization.

Additionally, we have adopted a different internal protocol which includes, among others, the following measures:

1. The temporary suspension of any process or procedure at the airport, which includes tourist card duplicate, delivery and document receipt, and assistance to exit Chile, among others;
2. The delivery and/or document pick up will be solely in our offices located in Isidora Goyenechea 2800, 42nd floor, Las Condes.

In order to guarantee the quality of our service, Carey Visas will continue to operate as usual. Should we need to temporarily suspend in all or part our services, due to closing or suspension of any government office, we will let you know accordingly.

Should you have any questions or comments regarding the above, you may reach out to your regular contact or else contact Monserrat Nova, Supervising Attorney and/or Paulina Jarpa, Manager, at: mnova@carey.cl and pjarpa@carey.cl , or else call to the following number: +562 2 928 2225.
