

> Call for Expression of Interest - Salares Altoandinos Project

With the purpose of promoting the development and exploitation of lithium reserves in Chile, the state-owned mining company, ENAMI, launched a call for submission of expressions of interest and eligibility requirements for a **public-private partnership for the exploration, exploitation, and benefit of lithium deposits for the Salares Altoandinos Project**.

The objective of this process is to form a public-private partnership with ENAMI for the development and operation of the project and/or to provide financing.

The terms of the call are available at enami.cl. **Interested parties may register in the process until June 7th, while the deadline for expressing interest is July 23rd.**

If you wish to participate, please email altoandinos@enami.cl, formally requesting your registration.

It is important to consider that the official language of the process is Spanish. As a courtesy, ENAMI provides English translations of the documents.
